

# Commissioned, Irreplaceable Love

Commissioned  
Irreplaceable Love  
-----

1, 2, 3

There was a point in my life time when I'd just gone astray  
From my normal caring state of mind  
Doing things usually wouldn't do  
Saying things I wouldn't say  
Personality of all I had to find  
For we all go through moments where it's hard to find  
I still fall victim to the point of no return  
That's why it's nice to know that you're right by my side (la da da da da da)  
And your love for me will never ever turn (no ooh)

Chorus:

Your the one, my strength, my reason why I walk around cool  
Now I know (now I know)  
That ur love is irreplaceable (come on sing)  
Thought that I can do without the things that you do how you do it all for me  
Now I know (I know)  
That your love is irreplaceable (oh oo oh)

Verse 2:

I fell apart of the scene  
Went through such an awkward phase (mmm)  
Thinkin that I could solve my problems on my own (thinkin I can do it on my own)  
Frustration started 'cuz things didn't go my way (la da da da da da da)  
Failed to realize your love helps get me by  
And in the dawning moment came upon my mind  
Somehow travels end of darkness I saw light  
And you refuse that you are there to ease my plight  
Bringing faith again  
to help me through it all

Chorus

verse 3:

Cant bear without you  
You've got a special kind of love  
that keeps me handlin  
makes everything alright  
makes life worth living  
I've never felt so sure about anything in my life  
but I know your love is so real  
ya give me piece of mind (mind o yeah) (whoa)

Chorus (repeat)
