

Commodores, Nighshift

Marvin,
He was a friend of mine,
And he could sing a song,
His heart in every line,
Marvin,
Sang of the joy and pain,
He opened up our minds,
I still can hear him say...

Oh, talk to me,
So you can see
What's going on,
Say you will
Sing your songs for everyone

(CHORUS)

Gonna be some sweet sounds,
Coming down on the nightshift,
I bet you're singing proud,
I bet you pull a crowd
Gonna be a long night,
It's gonna be alright
On the nightshift
You've found another home,
I know you're not alone,
On the nightshift

You've found another home,
I know you're not alone,
On the nightshift

Jackie,
Hey whatcha doin' now?
It seems like yesterday,
When we were working out
Jackie,
You set the world on fire,
You came and gifted us,
Your loving lifted us
Higher and higher...

Keep it up,
And we'll be there,
At your side
Oh, say you will,
Sing your songs for everyone,
Everyone... everyone...

CHORUS X2

Gonna miss your sweet voice
That's so nice
On the nightshift,
We will remember you,
Your songs are coming through

At the end of the long day,
It's gonna be okay
On the Nightshift
You found another home
I know you're not alone
On the nightshift
