Commodores, Still

Lady, morning's just a moment away And I'm without you once again You laughed at me You said you never needed me I wonder if you need me now

We played the games that people play We made mistakes along the way Somehow I know deep in my heart You needed me Remembering the pain if I must say It's deep in my mind and locked away But then most of all I do love you Still

Those memories
Times I'm sure we'll never forget
Those feelings we can't put aside
For what we had
Sometimes I try to understand
But it's so heavy on my mind

So many dreams that flow away So many words we didn't say Two people lost in a storm Where did we go? Where'd we go?

Lost what we both had found You know we let each other down But then most of all I do love You Still

We played the games that people play We made our mistakes along the way Somehow I know deep in my heart You needed me 'Cause I needed you so desperately! We were too blind to see But then most of all I do love You

Still
