

Common Children, Man

Someone better tell his mother
Someone better tell his sister
That her little brother
Blew his mind out in the gutter
You can't take this
You won't break this
Try and erase this
It's such a stressed out world man
What is man?

Someone better tell this system
Our greedy lives are the tools of shame
Another sleepy generation
Lost in a rage and seeking one to blame

You can't take this
You won't break this
Try and erase this
It's such a stressed out world man
What is man?

You can't take this
You won't break this
Try and erase this
It's such a stressed out world man
What is man?
What is man?
What is man?
