

Common, Driving Me Wild

Lily Allen: Chorus

It's this thing now

That's driving me wild

I gotta see what's up

Before it gets me down x3

Love's not a mystery, it's everything

Common: Verse One

She was the type to watch Oprah and The Today Show

Be on the treadmill, uh, like OK Go

Had the body, un body, that you can't pay for

That means she had some D's on her, but they wasn't fake though

Had a drive, a Drive for Rodeo

She spent pesos on those Labels

Spent class at the gym, Striptease on the pole

She was so obsessed with her body and clothes

To every party she goes, trying hard to be chose

They say it's hard for a pimp, but extra hard for these hoes

Reading US or People mag, tryna get these scoops

Chasing an actor for a Bentley Coupe

She recruit a ball player from the Clippers

Then came the pumps off

Thinking she Number One, when she just a Jump Off

Doing all she can for a man and a baby

Driving herself crazy

like the astronaut lady

Lily Allen: Chorus

It's this thing now

That's driving me wild

I gotta see what's up

Before it gets me down x3

Love's not a mystery, it's everything

Common: Verse Two

He had paper since we was in, we was in High School

Pop was a doc, mom taught at my school

Lock with the rocks, in his ear he kept jewels

One of the Diddy types, the d-d-d-Dame Dash dudes

Pushed the Maserati Sport, reading the Robb Report

Wanted to be Mike, but he was never live in sports

Since golf was in, he was in the driving course

To live the rap life is what he was striving for

Spending cash at the bar to get credit

Drinking Chandon just because BIG said

They say Ye is, but dude big-headed

Rocked the fur in the summer, so, somebody'll pet it

He had a fetish for shoes that's athletic

Pathetic on his myspace page, half naked

It's a shame what they do for fame, and to be respected

Joe you coulda got it, if you never woulda stressed it

Lily Allen: Chorus

It's this thing now

That's driving me wild

I gotta see what's up

Before it gets me down x3

Love's not a mystery, it's everything

Common: Verse Three

They was one of them couples, people said they was the it

Unbreakable like Bobby & Whit

Or Ryan and Reese, or Kimora and Russ
Relationships can be dead but look live to us
I guess we all been through it, where we try too much
Losing yourself and your lyin' and stuff
Wishing for the diamond cuffs, searching for the ring
Where love is not a mystery, it's everything, sing

Lily Allen: Chorus
It's this thing now
That's driving me wild
I gotta see what's up
Before it gets me down x3
Now it's not a mystery, it's everything
Gets me down x5
Gets me
Love's not a mystery, it's everything
