(I am happy...I am I am happy I Have a Dream) I got a dream (One Day) Were gonna work it out oh oh One Day) Were gonna work it out oh oh One Day) Were gonna work it out (I Have a Dream) I got a Dream (One Day) Were gonna work it out oh oh (One Day) Were gonna work it out oh oh (One Day) Were gonna work it out (I Have a Dream) I got a Dream (That One Day) That one day (That One Day) I'ma look deep within myself (I Have a Dream) I gotta find a way... My Dream Is To Be Free My Dream Is To Be My Dream Is To Be My Dream Is To Be Free In search of brighter days, I ride through the maze of the madness Struggle is my address, where pain and crack lives Gunshots comin' from sounds of Blackness Given this game with no time to practice Born on the black list, told I'm below average A life with no cabbage That's no money if you from where I'm from Funny I just want some of your sun Dark clouds seem to follow me Alcohol that my pops swallowed bottled me No apology, I walk with a boulder on my shoulder It's a Cold War - I'm a colder soldier Hold the same fight that made Martin Luther the King I ain't usin' it for the right thing In between Lean and the fiens, hustle and the schemes I put together pieces of a Dream I still have one [Chorus] The world's seen me lookin' in the mirror Images of me, gettin' much clearer Dear Self, I wrote a letter just to better my soul If I don't express it then forever I'll hold, inside I'm from a side where we out of control Rap music in the 'hood played a fatherly role My story's like yours, yo it gotta be told Tryna make it from a gangsta to a godlier role Read scrolls and stow slaves And Jewish people in cold cage Hate has no color or age, flip the page Now my rage became freedom Writin' dreams in the dark, they far but I can see 'em I believe in Heaven more than Hell Blessings more than jail In the ghetto let love prevail With a story to tell, my eyes see the glory and well The world waitin' for me to yell " I Have a Dream" [Chorus]
