

# Common Market, Connect For

Connect For: The sake of my beloved mentor  
Connect For: Those exposed to rain when it pours  
Connect For: The benefit of every last fan  
Who raised a hand on your command, let's  
Connect For: The chance to support the amateur  
Connect For: Revival of the vibe of The Score'  
Connect For: The sake of the kids, if nothing more  
They can't afford to face another closed door, let's

Connect For: The prospect of steps uncharted  
Pioneers in the context of let's start it  
To be certain the efforts of the martyrs are applauded  
I'mma share Specs' burden to resurrect the artist  
Usher in the Renaissance a plea to Medici  
To commission each and every emcee in the CD (Central District)  
Meet me on the Hill (Capitol) with your catalog of styles  
We're collabin' with the crowd congregatin' round Sal's  
And be loud enough (that) sound travels upstairs  
And beyond to the ears of the once debonair  
Til the idea clicks: put a little more Blue (Scholars) in the mix  
With the Grey (Skull) it's your Word to Say (Wordsayer)  
So brother speak cause some stand with both feet in your opinion  
And would happily embrace a New Dominion'  
If you're ready to build, I'll be standin' at Denny and Olive waitin'  
To break ground and form a foundation, let's

Connect For: The promise to provide for the poor  
Connect For: The prosperity of you and yours  
Connect For: The simple fact size brings strength  
Resources will reinforce our weak links,' let's  
Connect For: The possibility of Cold War  
Connect For: The probability of that law  
Connect For: The opportunity to ensure the force  
Of our community's rapport, let's

Connect For: The proprietorship of something greater than a label  
Bring the rain we remain faithful  
And though we're able to stay tied through gray skies  
We never weather the storm' together we stay dry  
And that's surprisin' here where life thrives, we're barely survivin'  
We the stamina to keep the sign of Cancer Rising  
A bit of organizing for the sake of (Project) Mayhem  
Make them the gate keepers of the next way in  
I extend and supply a hand to the Silent Lambs (Project)  
Tryin' to ally the fam, I'll not stop for one defiant man  
Play the role of David to the giant and cock the shot  
To drop the opposition right where they stand  
Victory is ours for sure if we're determined to win  
Firm in the covenant concerning the tenets of  
Kinship throughout the Sound's people  
There's room for every one of us to be Under the Needle, let's

Connect For: Enhancement of our repertoire  
Connect For: The advancement of the art form  
Connect For: The chance for us to prove to the critics  
Hiphop is not dividin' this district, let's  
Connect For: The call for an eternal encore  
Connect For: The making of a new supreme corps  
Connect For: The breakdown of the last wall  
That keeps the mass from that reward, let's

Connect For: DV and Soul One, let's  
Connect For: Jerm and Asun, let's  
Connect For: Dirty Byrdy and Scene, Bishop I and Karim

And the Team (Boom Bap) and plus Bean (One), let's  
Connect For: B-Mello and Skin, let's  
Connect For: Sam (Chesneau) and Mark Sense, let's  
Connect For: Sonny B (Bonoho) and O Deez, Black Swan  
H Bomb, Roc'phella and Piece, yo let's  
Connect For: The New Improved Dirty Dev, let's  
Connect For: All of Mad Krew's heads, let's  
Connect For: Bad Luk, Phreewil, Gabriel, Khalil  
It's time for all us to build
