

# Communic, Fooled By The Serpent

One morning in the silence of nature  
Two shadows dance in the sunrise  
Never knowing what's on the other side of the wall  
What is it hiding this absence of secrets  
Behind the gate to the unknown  
Lying obscure behind these highest walls

What is hiding in the garden of secrets  
Behind the wall  
Who is the creator of this illusions of lies  
A new project Eden  
Evil seeds just waiting to bloom  
Someone is tasting human fate

Living in this world of secrets  
In an underground sphere of science  
Searching for the place where all evil began  
Born into this state of innocence  
An arcadia of coming future life  
Reality strikes  
When the two headed snake bites

Fooled by the serpent  
Who took a bite  
Of the forbidden fruit  
From the holy tree  
Fooled by the serpent  
Someone took a bite  
Of the forbidden fruit  
In the garden

What is hiding in the garden of secrets  
Behind the wall  
Who is the creator of this illusions of lies  
A new project Eden  
Evil seeds just waiting to bloom  
Someone is tasting human fate

Occasional sinners  
That breeds  
And form new life

One day someone will go back  
To the place where all evil began  
Only those who pray every day  
will find the light  
With guidance on their way  
Heading back to the land behind the gate,  
back to the land of all evil

I feel cold  
When the night takes over  
Will we ever find our peace again  
We must search for another home  
far across the fields  
Towards what tomorrow will bring  
We will be strong  
Together we will make it  
And never be tempted by evil again  
We must leave  
To find our new home beyond the sun  
Hand in hand  
We'll will walk to find the light

Fooled by the serpent  
Who take a bite  
Of the forbidden fruit  
From the holy tree  
Fooled by the serpent  
Someone take a bite  
Of the forbidden fruit in the garden

What is hiding in the garden  
of secrets, behind the wall  
Who is the creator of these  
illusions of lies  
A brand new project Eden  
Evil seeds just waiting to bloom  
Someone is testing human fate
