Are you ready  
Cause we're all traitors  
Are you ready  
True faces will unfold  
Are you ready  
Theres no surrender  
Are you ready  
Take back what is yours

If their numbers knock us down (Are you ready)  
Gather up and retaliate  
Don't be afraid to stand your ground (Are you ready)  
They're only human like you

Are you ready  
To grasp your vengence  
Are you ready  
Lose hope with who controls  
Are you ready  
To seize their existence  
Are you ready  
Take back what is yours

If their numbers knock us down (Are you ready)  
Gather up and retaliate  
Don't be afraid to stand your ground (Are you ready)  
They're only human like you
