

Complete Control, Warning

i'm warning anyone
i'm warning you
i'm warning anyone
anyone ready to lose
whoa...
i'm feeling loaded
with an early grave
i took a dead end street
andi've never been the same
whoa...
my thoughts are splitting
and i cant find
this wasted hatred
thats got no where to hide
whoa...
unwanted action
set for ignition
ready to take off
at the countdown of the day
whoa...
warning [2x] i got to get away
warning [2x] i want to run away
