

# Comus, Song To Comus

Bright the sunlight summer day  
Comus wakes he starts to play  
Virgin fair smile so sweet  
Comus heart begins to beat

Rise up Comus sing your song  
Bewitch the maiden the day is long  
Cast your spell sweet music crack  
Her virtuos shell

Enchanted damsel curios ear  
Comus music dispel all fear  
Dainty feat they skip so light  
Comus loughs soon, comes the night

Through the forest dark and deep  
She follows Comus' dancing feet  
He moves away the mossy stone  
Reveals the cave Comus' home

Comus stare, stare, stare  
Comus Glare, glare, glare  
Comus bare, bare, bare

Comus rape, Comus brake  
Sweet young virgin's virtue take  
Naked flesh flowing hair  
Her terror screams they caut the air  
But no one hears the (bay)?

Comes the sunlight sommer day  
Comus waxkes he starts to play

Chastity chaser  
Virile for the virgins virtue  
Excite her exciter  
You better go  
Before you bleed and he hurts you

He chased the chastle  
You better leave  
If you value your virtue  
You better go  
Before you bleed and he hurts you  
You better leave  
If you value your virtue

Virgin fair smile so sweet  
Comus heart begins to beat  
Enchanted damsel curios ear  
Comus music dispel all fear

Through the forest dark and deep  
She follows Comus' dancing feet  
He moves away the mossy stone  
Reveals the cave Comus' home

Misty air, air, air  
Comus Glare, glare, glare  
Comus bare, bare, bare

Chastity chaser  
Virile for the virgins virtue  
Excite her exciter

You better go  
Before you bleed and he hurts you

He chased the chaste  
You better leave  
If you value your virtue  
You better go  
Before you bleed and he hurts you  
You better leave  
If you value your virtue

Hymen hunter, hands of steel  
Cracks you open  
And your red flesh peel  
Pain precursor, eyes of fire  
Pierce your womb  
And push still higher

Comus rape, Comus brake  
Sweet young virgin's virtue take  
Naked flesh, flowing hair  
Her terror screams, they cut the air  
But no one hears the (bay)?

Comes the sunlight summer day  
Comus wakes he starts to play.
