

Conan Gray, Never Ending Song

Never Ending Song to nowość od Conana Grey'a. Premiera utworu zapowiadana jest na 19 maja 2020

First, I'll say, "I apologize for calling
But I saw your face in a magazine today"
Wasn't you, too late, all my tears already fallin'
Tried to turn the page, but our story wasn't stoppin'

And it goes on, and on, and on
Like a never-ending song
On and on
Like a never-ending song

You and I sacrificed my adolescence
Just to waste my time on the edges of your life
But we've grown too close, now it can't amount to nothin'
I can hear your voice in the music on the radio

And it goes on, and on, and on
Like a never-ending song
On and on
Like a never-ending song (Uh)

Can you make us stay forever?
Are we done? Can you make it play?

On, and on, and on (On)
Like a never-ending song
On and on (On)
Like a never-ending song
On and on (On)

On and on (Ooh)
Like a never-ending song
