

Concrete Blonde, Carry Me Away

Today I went and bought myself a bottle
Like we used to do
Reminded me of you
Today I saw a train roll by the river
Blowing off the steam
Reminded me of me

That's when I threw the bottle in the river
That's when I started running for the train
There's nothing that you need I can't deliver
Carry me away
Carry me away

Make it seven-oh-nine California time
Whoever said it was a small world was either a liar
Or a fool
'Cause it's not true
And any promise we make is as easy to break
As the plastic people on your wedding cake
So says you
But you know, I do

I hear you thinking
From far away
If you keep on lying and crying and trying and drinking
I'm gonna carry me away
Carry me away

If you think about me
From far away
I hope you find it with me or without me
Carry me away
Carry me away
Carry me away
Carry me away
Carry me away
Carry me away.
