## Concrete Blonde, Carry Me Away V2

Today I went & Dought myself a bottle, like we used to do, reminded me of you.

Today I saw a train roll by the river, blowing off the steam, reminded me of me.

That's when I threw the bottle in the river.

That's when I started running for the train.

There's nothing that you need I can't deliver, carry me away, carry me away.

Make it seven o nine California time, whoever said it was a small world was either a liar or a fool, cause it's not true.

And any promise we make is as easy to break as the plastic people on a wedding cake so says you

but you know, I do. I hear you thinking, from far away.

If ya keep lying & Drinking, l'm gonna carry me away, carry me away.

If you think about me,

from far away,

I hope you find it with me or without me.

Carry me away, carry me away, carry me away, carry me away, carry me away.
