

# Concrete Blonde, Mandocello

I can hear you laughing  
But you're a million miles away and I'm here  
I will never leave you  
But I'm a million miles away and I'm here

I know the thoughts you're thinking  
But you're a lifetime away from your home and I'm here  
I can see you crying  
But I'm a million miles away and I'm here

Look at me like I look at you  
Think of me like I think of you  
Speak to me like I speak to you  
Dream of me like I dream of you

I can hear you dreaming  
But I'm a million miles away and I'm here  
Oh, if I could be with you again  
I would fall all over you like rain  
Oh, if I could be with you again
