

Confederate Railroad, Daddy Never Was The Ca

We were poor when I was young'un
I don't remember ever going hungry
Daddy made sure we didn't do without
I went to school with some of these fellas
They had money and I was jealous
I didn't know then what I know now

Daddy'd say you can't judge a book by looking at the cover
It's what's inside that really matters
Daddy never was the Cadillac kind
Said some things just glitter and shine
Taught us that love was the one thing money couldn't buy
Daddy never was the Cadillac kind
