## Confederate Railroad, Daddy Never Was The Ca

We were poor when I was young'un I don't remember ever going hungry Daddy made sure we didn't do without I went to school with some of these fellas They had money and I was jealous I didn't know then what I know now

Daddy'd say you can't judge a book by looking at the cover It's what's inside that really matters Daddy never was the Cadillac kind Said some things just glitter and shine Taught us that love was the one thing money couldn't buy Daddy never was the Cadillac kind
