

# Confessions Of A Teenage Drama Queen, Un-Sv

Bang bang  
On the bathroom door  
You say you can't take it anymore  
I say let's even up the score  
I'm sorry  
Fall fall  
The tears are falling  
Ring ring  
Who's that calling  
Stop stop  
Soccer balling  
I'm sorry  
(Chorus)  
Un-Sweet Sixteen  
Always acting like a beauty queen  
Like you're posing in a magazine  
Un-Sweet Sixteen  
Un-Sweet Sixteen  
I'm coming clean  
Breaking down my self-esteem  
My Un-Sweet Sixteen

She she  
She only smiles  
Smile smile  
Cuz that's my style  
But you're acting like a child  
Moronic  
Won't let this whole thing go away  
Cuz you thought that I was out to play  
I just don't know what to say  
You're psychotic  
(Chorus)  
(Music Breakout)  
Un-Sweet Sixteen  
Un-Sweet Sixteen  
Un-Sweet Sixteen  
My Un-Sweet Sixteen
