Conjure One, Make A Wish

You can close your eyes it's over now. It's over now, You can close your eyes it's over.

Baby, baby, baby, Make a wish. Tell me have, you ever been afraid like this? (It's over now)

I've seen it watching me, That misty thing, Without a face. It weaves my thoughts, Lined them up in black lace. It buries my shape, And leaves no trace.

Tomorrow I will have no shame, And I will start again. Make a wish. Tell me have, you ever felt alone like this. (Over now)

Better do it sure. Just wishing, I could move in some more.

Tomorrow I will have no shame, And I will start again. Make a wish. (You can close your eyes it's over now) Baby I, have never been afraid like this. (You can close your eyes it's over now) Make a wish.

I took off my shoes, I took off my face, And then I undid, the buttons on my dress. (I will start again)

Make a wish.
(You can close your eyes it's over now)
Tell me have, you ever been exposed like this?
(You can look into your mind)
Baby, baby, baby,
Feels like a kiss.
(You can close your eyes and start again)
I bet, you never thought that I could feel like this

Tomorrow I will have no shame. Tomorrow I will have no shame. Make a wish.
