Gladiator Heart

Stepping out, hoping from the start.
Anyway, something left you breathing hard.
Your gladiator heart doesn't seem to want to let you leave the field when all the feeling's gone on s

And it's my day to show you.
And it's my day to show you.
And it's my day to show you if it all holds true.

Take a ride- all these aimless miles piling up all around you.
Anyway, your navigator heart only seems to want to lead you where the quiet of, the quiet of this dr

And it's my day to show you .
And it's my day to show you.
And it's my day to show you if it all holds true.
