

Connie Francis, Don't Ever Leave Me

Baby, Baby - I've been waiting
For somebody to love just me
I'm so happy now that I found you
I'll stand by you till eternity
Don't ever leave me, don't ever let me go
I wouldn't know what to do, I wouldn't know where to go
Don't ever leave me, I'm giving you my heart
And it would break in two if we should ever part
Baby, tell me how much you love me
And I have something to say to you
I will always make you happy
And I promise that I will be true
Don't ever leave me, don't ever let me go
I wouldn't know what to do, I wouldn't know where to go
Don't ever leave me, I'm giving you my heart
And it would break in two if we should ever part
Don't ever leave me, don't ever let me go
I wouldn't know what to do, I wouldn't know where to go
Don't ever leave me, I'm giving you my heart
And it would break in two if we should ever part
Baby, Baby - don't ever leave me
Don't ever leave me...
