

Connie Francis, I Was Such A Fool (to Fall In Love With You)

If I didn't care more than words can say

If I didn't care would I feel this way?

If this isn't love then why do I thrill?

And what makes my head go 'round and 'round

While my heart stands still?

If I didn't care would it be the same?

Would my ev'ry prayer begin and end with just your name?

And would I be sure that this is love beyond compare?

Would all this be true if I didn't care for you?

MONOLOGUE: If I didn't care honey child, mo' than words can say. If I didn't care baby, would I feel this way? Darlin' if this isn't love, then why do I thrill so much? What is it that makes my head go 'round and 'round while my heart just stands still so much?

If I didn't care would it be the same?

Would my ev'ry prayer begin and end with just your name?

And would I be sure that this is love beyond compare?

Would all this be true if I didn't care for you?
