Connie Francis, Lookin' for love

Yeah, yeah, I'm just-a-lookin' Uh-huh, I'm just-a-lookin' Yeah, yeah, I'm just-a-lookin' I'm just lookin' for love

Don't want fortune, don't want fame Don't want everybody to know my name

Yeah, yeah, uh-huh, I'm just looking for love

Don't want diamonds, don't want pearls

Don't wanna be the envy of the teenage girls

Yea, yeah, uh-huh, I'm just looking for love

Don't wanna drive in convertible cars

Go to wild parties with movie stars

Don't wanna wear fabulous furs

I just want towels marked "His" and "Hers"

I don't want lots of wealth on told

I just want a simple little band of gold

Yeah, yeah, uh-huh, I'm just looking for love

Yeah, yeah, I'm just-a-lookin'

Uh-huh, I'm just-a-lookin'

Yeah, yeah, I'm just-a-lookin'

I'm just lookin' for love

Don't wanna drive in convertible cars

Go to wild parties with movie stars

Don't wanna wear fabulous furs

I just want towels marked &guot; His&guot; and &guot; Hers&guot;

I'll be lucky as a girl can be

When that certain boy comes lookin' for me

Yeah, yeah, uh-huh, I'm just lookin' for love

Yeah, yeah, I'm just-a-lookin'

Uh-huh, I'm just-a-lookin'

Yeah, yeah, I'm just-a-lookin'

I'm just lookin' for love
