

Connie Smith, Bridge Of Love

Jesus touch my sinful soul and let my cry for peace come to a hush
Let my footsteps follow Thee and help me walk across the bridge of love
Over the river of life's intentions
Across the bridge of love to the arms of my salvation
Jesus give me strenght enough for me to walk across the bridge of love
Over the river of life's intentions
Across the bridge of love...
Help me to walk across the bridge of love
