

Connie Smith, Don't Keep Me Lonely Too Long

Life sure gets lonely alone no one to talk to along
Nights sure get longer since you've gone don't keep me lonely too long
I need your arms to hold me and hear you say you need me
Don't let me live on dreams alone don't keep me lonely too long
Memories of faithful one so lonely
My tortured heart cries out because it loves and wants you only
Yes I'm too lonely alone afraid of being alone without your love I can't go on
Don't keep me lonely too long don't keep me lonely too long
