

# Connie Smith, For Goodness Sake It's Love

Well I'll declare all over things well I --- a real life walkin' dream  
Would you believe it just can't be for goodness sake it's love and it's lookin' at me  
I feel like flyin' up to the clouds I feel like laughin' and singin' out loud  
Well bless my soul in heaven's name for goodness sake it's love and it's lookin' at me  
[ guitar ]  
I feel like flyin' up to the clouds and I feel like singin' and laughin' out loud  
Well bless my soul in heaven's name for goodness sake it's love and it's lookin' at me
