

Connie Smith, Laying On The Hands

[Both]

Healin' hands on the blind and the blind could see I said hallelujah the blind could see

Healin' hands on the bum and the bum was free I said hallelujah the bum was free

Healin' hands on the dumb and the dumb could talk

I said hallelujah the dumb could talk

Healin' hands on the lame and the lame could walk I said hallelujah the lame could walk

[Dallas]

Jesus Christ our Saviour was born in Bethlehem

The son of God almighty the beginning and the end

[Connie]

The miracles of Jesus was the talk all over land

Jesus healed the multitudes by the laying on off hands

[Both]

Healin' hands on the blind...

[Dallas]

The healin' hands of Jesus set to free today

All it talkes is a little pay the size of mustard seed

Now we (--- missing part) I'm with you to the end

Go forth and do the works of God by the laying on off hands

[Both]

Healin' hands on the blind...
