

# Connie Smith, My Little Corner Of The World

Oh come along with me to my little corner of the world  
And dream a little dream in my little corner of the world  
Tonight my love we'll share a sweet embrace  
You'll soon forget there's any other place  
And if you'd care to stay in my little corner of the world  
Then we can hide away in my little corner of the world  
I always knew I'd find someone like you so welcome to my little corner of the world  
(Oh come along with me) to my little corner of the world  
(And dream a little dream) in my little corner of the world  
[ strings - steel ]  
And if you'd care to stay...
