

# Connie Smith, Night Has A Thousand Eyes

They say that you're a run around lover though you say it isn't so  
But if you put me down for another I'll know believe me I'll know  
Cause the night has a thousand eyes and a thousand eyes can't help but see  
If you are true to me  
So remember when you tell those little white lies that the night has a thousand eyes

You say that you're at home when you phone me and how much you really care  
Though you keep tellin' me that you're lonely I'll know there's someone in there  
Cause the night has a thousand eyes...

One of these days you're gonna be crying cause your game I'm gonna play  
And you'll find out without really trying each time that my kisses fail  
Cause the night has a thousand eyes and a thousand eyes to see me through  
And no matter what I'll do  
I could never disguise all my little white lies cause the night has a thousand eyes  
So remember when you tell those little white lies that the night has a thousand eyes
