

Connie Smith, Slowly

Slowly I'm falling more in love with you
Slowly you're winning a heart that can be true
I can't hide my feelings no matter what I'd do
Cause slowly I'm falling more in love with you
[steel]

More and more I need you and want you by my side
More and more I love you as each day passes by
No need to hide my feelings for it's so plain and true
Slowly I'm falling more in love with you slowly I'm falling more in love with you
