

# Connie Smith, Sundown On My Mind

I wish that I could find the way to make my yesterdays  
Pack up and find themselves another home  
I don't like to live with everything that's gone  
When my lovin' lost its flavor and you wanted sweeter wine  
How come you let your mem'ries here behind  
They're with me from the dawn until the sundown on my mind  
You're with me when the robin sings an early morning song  
You're with me in the sunshine all day long  
Your mem'ry's always with me when the Sandman knocks upon my door  
And whispers it's a dreamin' time  
You're with me from the dawn until the sundown on my mind  
[ harmonica ]  
I've heard them say a heartache's nothin' more than just a mem'ry  
They say the hurt will leave when I'll forget  
But I can't stop remembering you yet  
If broken hearts were able to turn back the hands of time  
I think I'd be the first to stand in line  
You're with me from the dawn until the sundown on my mind  
You're with me when the robin sings...  
You're with me from the dawn until the sundown on my mind
