

# Connie Smith, You Don't Have Very Far To Go

You always find the way to hurt my pride if I'm not cryin' you're not satisfied

I don't know why you want to hurt me so

But if you're tryin' to break my heart you don't have very far to go

You don't have very far to go before the heartache begins

I already feel the sadness of a heartbreak settin' in

You're turnin' down the flame of love too low

And if you're tryin' to break my heart you don't have very far to go

Don't have very far to go before the heartache begins

I already feel the sadness of a heartbreak settin' in

You can't love me and still want to hurt me so

If you're tryin' to break my heart you don't have very far to go
