

Connie Talbot, I Will Always Love You

If I should stay
I would only be in your way.
So I'll go but I know
I'll think of you
Every step of my way.
And I will always love you.
I will always love you.
(My darling, you)
Bittersweet memories,
That is all I'm taking with me.
So goodbye, please don't cry.
We both know I'm not what you, you need.
and I will always love you.
I will always love you.
I hope life will treat you kind
And I hope you'll have
All you've dreamed of.
and I do wish you joy and
happiness.
But above all this, I wish you love.
I love you i wil always love you.
And I will always always love you.
I will always love you...
i will always love you
