

# Conor Maynard, Storage

I wish I never took the time to learn the details  
What I should pick up for you when you didn't feel well  
Like how you'd call when you were driving on your own  
Wanted to hear me so you didn't feel alone  
Still have the messages from the first day that we talked  
I swear that pink-hearted emoji was your trademark  
Still have the photos from the first day that we met  
You know the ones that I would show to all my friends

But now it feels like all you left  
Was useless information in my head  
I can't believe the way it went

I'm lying all alone  
I can't seem to fall asleep inside my home  
'Cause all I see is you and me  
Wish I could ignore it  
The memories and forfeit  
The pain this is causing me now  
I try to say I'm fine  
But there's no room for nothing else  
Inside my mind  
I can't forget the way I felt  
Wish I could ignore it  
'Cause it's not important  
Please rid me of all of it now  
'Cause I'm out of storage

Do you still have the note I left inside your suitcase?  
Have you forgotten all the stupid little nicknames  
The way you'd make me watch you try on your new your clothes  
I still remember what I'm saved as in your phone

So now it feels like all you left  
Was useless information in my head  
I can't believe the way it went

I'm lying all alone  
I can't seem to fall asleep  
Inside my home  
'Cause all I see is you and me  
Wish I could ignore it  
The memories and forfeit  
The pain this is causing me now  
I try to say I'm fine  
But there's no room for nothing else  
Inside my mind  
I can't forget the way I felt  
Wish I could ignore it  
'Cause it's not important  
Please rid me of all of it now  
'Cause I'm out of storage  
Yeah, I'm out of storage  
I'm out of storage  
I'm out of storage
