

# Conor Maynard, Turn Around (ft. Ne-Yo)

Turn around, open your eyes  
Look at me now  
Turn around, girl I've got you  
We won't fall down, yeah  
We can see, forever from up here, yeah  
So long as we're together  
Have no fear, no fear

So turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Listen baby, turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around, turn around

Turn around, outa space we can go there now, yeah  
Turn around, there's no limit to what we found  
Uh yeah  
Music oh, I wanna feel it all, yeah  
We'll stay up, cause there's no way for us  
To fall, to fall

So turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Listen baby, turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around, turn around

Uh baby, we're so high now, whoa  
Till our worries end our pain right now  
Oh, oh, our home is the sky now  
And we're never coming down, down, down

So turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Listen baby, turn around, floating  
So high you're above the ground  
Floating so high, turn around  
Together, nothing can stop us now  
Turn around, turn around
