Consequence, Don't Forget 'Em

Nana I promise when I get old enough
I'm a buy you a limo and we gonna go to Red Lobster
and you can get all the...
All the lobster tails that you want.
Cause I'm a be rich, yeah I'm a be rich.

[Refrain]
When you make that money boy, they say don't you forget 'em.
When you make that money boy, they say don't you forget 'em.
When you make that money boy, they say don't you forget 'em.
When you make that money boy, they say don't you forget 'em.
Don't forget 'em, don't don't forget 'em
Don't forget 'em, don't don't forget 'em
Don't forget 'em, don't don't forget 'em
Don't forget 'em, Cons don't forget 'em

I finally got my first real money
They said I turned Hollywood
I prolly could
And turn my back on the hood
And never go back, but I ain't with that
See this is why I learn to rap
And this is where I learn to scrap
And this is how I learn to stack
Penny by penny and bit by bit
Watching the older hares move brick by brick
And one hand would watch the other
And one aunt would watch your brother
And your father bought a watch for your mother
And the prettiest smile you ever discovered because what you call her face
And you sick of(?) cause he lost his case
The give him 25 to life what a waste
And they tryin' to pay you large yeah but they just annoy you
So he ended up going upstate

[Refrain]

I finally got my first real money
So of course they all up in my grill
Cause they need help with the bills
And I'm like homie just chill
I got you my nig'
Just let me get big
And I promise I'll be back
Cause I need the feedback
And the honesty everytime that you react
Cause nothing can buy that
Nothing provides that
'Cept when you drive back
And cruise through the blocks of the hoods you're from
They holla at your folks, that's the rule of thumbs
Cause I came up together, y'all was crude from young
When someone then went on to abuse them drugs
Confusing love for they addiction
Now they out there on a mission
And lost sights of the do's and don'ts
But I be wrong if I forgot so I won't

[Refrain]

You are me and I am you
And I won't never forget
Word

[Refrain]
