

# Consumed, Understand Me

I won't be there, I can't be there for you when you want some, the sum of me.  
And I can't see you, we won't see you when you're with the others, but not the brothers.

chorus:

And it seems like I'm wasting time today.  
I'm glad that I'm doing it with you.  
I'm pleased that you understand my way.  
I'm glad that you understand me.

I really thought that you were a bargain,  
turned out more than I bargained for, I really think so, you never said so.  
Inside out and you're facing the wrong way.  
Carry on it'll f\*\*k up your life, I really think so, I always said so.
