

# Contrast, Structures

someone should pull your pants down and kick your idealistic, fatalistic mind and kiss your ass till it bleed cause you don't realize that you feed the mind of the dramatic, fanatic, with your bad intentions, new inventions, you can't distract the progress of the mind, killing your own

kind, you have to realize, that the truth is hidden among lies, realize you can't be the answer until you have found the solution to pollution, contemplation of reincarnationstation

socialistic, futuristic, way of thinking increasing the way i feel about my status in the up and coming society creeping all over me, is this how it supposed to be ? i do not know, sinked so low, i have never been this clever to comprehend the crucifixion of your idol, all you gots to comprehend is the separation of the truth from the lies, so i compromise
