

# Controller.Controller, Pf

Let's work a fine science  
And pay attention to the signs.  
Let me try your patience  
Over a telephone line.

Let's plan small secrets;  
Let's hold a surprise.  
Let's build an evil genius  
And keep warm tonight.

We gonna meet with a lawyer?  
We gonna change our names?  
We won't make it to the movies.  
Oh, be happy that you came.

We gonna meet with a lawyer?  
We gonna change our names?  
We won't make it to the movies.  
Oh, be happy that you stayed.

Ask me what I did today.  
Ask me what I did today.  
Ask me what I did today.

Let's plan small secrets;  
Let's hold a surprise.  
Let's build an evil genius  
And keep warm tonight.

Ask me what I did today.  
Ask me what I did today.  
Ask me what I did today.  
Ask me what I did today.  
Ask me what I did today.  
Ask me, ask me, ask me, ask me!

Lawyer,  
Movies,  
Change,  
Stay.

Lawyer,  
Movies,  
Change,  
Stay.

Genius!  
Genius!  
Genius!  
Genius!  
Genius!  
Genius!  
Genius!

I'll be happy that you stayed.
