

# Converge, Heartless

i'm stopping this slow death  
by letters never sent  
i'm killing one way romance  
and its words never read  
i'm leaving love's lost battles  
to the vulture's need to feed  
i'm leaving you  
i'm leaving them  
and learning to be me  
heart is everything  
heart is you  
love is you  
hell is you  
loss is you  
heartless
