

Conway Twitty, Fallin' for You for Years (1986)

Lookin' at us they'd think that we just met
And only been in love a night or two.
They see a beautiful woman
In the shadows with a man
And all they see is a weekend rendezvous.

Guess we look like cheaters?
Lover's lyin' low?
We must be deceivers
'Cause baby they don't know.

I've been fallin' for you for years
Can't get over the feel of you
Something in the way you make your moves
I've been fallin' for you for years
Runnin' deep, runnin' strong
It's been goin' on and on, for years

--- Instrumental ---

You make it easy to be a one woman man.
Just look at you sitting there.
Your eyes are talkin' in that soft and sexy way.
Sayin' let's slip away, slip away somewhere.
It don't take a rainy night or music in the dark.
But baby when your body sends a message to my heart.

I've been fallin' for you for years
Can't get over the feel of you
Something in the way you make your moves
I've been fallin' for you for years
Runnin' deep, runnin' strong
It's been goin' on and on and on and on.

I've been fallin' for you for years
Can't get over the feel of you
Something in the way you make your moves
I've been fallin' for you for years
Runnin' deep, runnin' strong
It's been goin' on and on and on and on and on
(Fallin' for you for years ...)
