

# Conway Twitty, I'm The Only Thing (I'll Hold Against You)

Yesterday you walked away, and left me.  
Today you say your sorry that we're through.  
Our love will work, We'll heal the hurt, So help me.  
Being blamed's the last thing I would do.

I'm the only thing I'll hold against you.  
Let my loving arms show you the truth.  
There'll be no I told you so's,  
No matter how much heartache we go through.  
I love you.  
I'm the only thing I'll hold against you.

I know it'd be just like, the first time that I held you.  
When we swore that our love would always last.  
Let's give it one more try, Don't be afraid to.  
One touch, and we'll forget about the past.

I'm the only thing I'll hold against you.  
Let my loving arms show you the truth.

There'll be no I told you so's,  
No matter how much heartache we go through.  
I love you.  
I'm the only thing I'll hold against you.

Sometimes things go wrong,  
Between a woman and a man.  
I know we'll make it work,  
All we need's a second chance.

I'm the only thing I'll hold against you.  
Let my loving arms show you the truth.  
There'll be no I told you so's,  
No matter how much heartache we go through.  
I love you.  
I'm the only thing I'll hold against you.  
I'm the only thing I'll hold against you.
