

Conway Twitty, One For The Money

One for the money two for the show you've played your little game so cleverly
First you took my money then you made me go
You showed me up and made a fool of me

Not too long ago I still remember kisses warm and sweet and oh so tender
But like a boat of life that strikes an unconfected tree
That's just how quick you've made a fool of me
One for the money...

[steel]

Everybody told me what you were doing they all said that you would be my ruin
But like the tree that couldn't see the light that's flashin' down
I closed my ears and didn't hear a sound
One for the money...
