

Conway Twitty, Release Me (And Let Me Love Again)

Release me darling let me go I don't love you anymore
To live together is a sin release and let me love again

Oh I have found a new love dear and I'll always want her near
Her lips are warm while yours are cold release me darling let me go

Please release me let me go I don't love you anymore
To live together is a sin release and let me love again
Please release me let me go...
