

# Conway Twitty, There's A Honky Tonk Angel (Who'll Take Me Back In)

That was the last time you've kissed me  
And I don't mean a touch now and then  
It's been a long time since you felt like my woman  
And even longer since I felt like your man

So tell me if you think it's over  
And I'll leave it up to you how it ends  
And if there's someone who wants to love you can give him  
Well there's a honky tonk angel who'll take me back in

We've been livin' a life for so long now  
How much more do you think we can stand  
There's an old friend out there and she's waiting  
Lord she's happy just holding my hand

So tell me if you think it's over  
And I'll leave it up to you how it ends  
And if he still wants the love you can give him  
Well there's a honky tonk angel who'll take me back in  
Yeah there's a honky tonk angel who'll take me back in
