

Cootees, Lisa's Clean

Lisa is a girl I know
She's always clean wherever she goes
Oh no, even at the punk show
Ahhh...Lisa's clean

Lisa, yeah, she's doin' fine
She's got a problem and it's worse than mine
She's clean, if you know what I mean
Woah...Lisa's clean

Never said that Lisa's mean
All I said, well, Lisa, yeah, she's clean
Ahhh...Lisa's clean

I know that Lisa could be
Just as dirty as you and me
She's clean, if you know what I mean
Woah...Lisa's clean

Lisa, yeah, she don't care
She's got purple underwear
She's clean, no she's not mean
Ahhh...Lisa's clean

Never said that Lisa's mean
All I said, well, Lisa, yeah, she's clean
Woah...Lisa's clean

Never said that Lisa's mean
All I said, well, Lisa, yeah, she's clean
Ahhh...Lisa's clean
