

# Cootees, School Girl Fantasy

I was sitting in my classroom  
Trying to do my homework  
When this girl sat right in front of me  
She was cute and she was clean  
Off the cover of a magazine  
My school girl fantasy

Don't ask me what she's thinking  
(Thinking...)  
Is she thinking of me

My school girl fantasy  
School girl fantasy  
School girl fantasy  
School girl fantasy...

Thirty-six, twenty-four  
Thirty-six, I'm on the floor with her  
Oh, if only that were true  
Want that girl to marry me  
Late at night it's her I see  
Oh, I don't know what to do

Don't ask me what she's thinking  
(Thinking...)  
Is she thinking of me

My school girl fantasy  
School girl fantasy  
School girl fantasy  
School girl fantasy...

Don't ask me what she's thinking  
Is she thinking of me

Don't ask me what she's thinking  
Is she thinking of me
