

Cootees, What You Hate

You think I'm better off by acting just like you
I tell you what I wanna be and what I wanna do
But you say
You don't care, it's not good enough for you
You think I should start over with something new

You think I'm better off if I act just like you
But I do (want...) what I want and I (...hate) do what you hate
I make my own decisions, do what I wanna do
And I do (want...) what I want and I (...hate) do what you hate

You think I'm better off by acting just like you
I tell you what I wanna be, you tell me I'm a fool
And I say
I don't care what you say
I'll do what I want to do anyway

You think I'm better off if I act just like you
But I do what I want and I do what you hate
I make my own decisions, do what I wanna do
And I do what I want and I do what you hate...what you hate

You think I'm better off if I act just like you
But I do (want...) what I want and I (...hate) do what you hate
I make my own decisions, do what I wanna do
And I do (want...) what I want and I (...hate) do what you hate
