

# Corbin Bleu, Fear Of Flying

Some things last until end of time  
But would we had, just couldn't survive  
I got so used to you in my life,  
So now that you're gone, there's something missing inside.

Refren:

How can you expect me to just move on?  
When you're what I lived for, you're all I know  
Got used to having you to lean on  
Without you, I am left with the fear of flying (can't do it on my own)  
Flying (can't do it on my own), Flying (Just can't do it on my own), ohhh  
The fear of flying (can't do it on my own)  
Flying (can't do it on my own), Flying (Just can't do it on my own), ohhh  
If time should heal the pain and the hurt  
Then why do I feel like it's getting worse?  
Since you dissapeared I finally learned  
That my biggest fear came to life when I lost you girl  
How can you expect me to just move on?  
When you're what I lived for, you're all I know  
Got used to having you to lean on  
Without you, I am left with the fear of flying (can't do it on my own)  
Flying (can't do it on my own), Flying (Just can't do it on my own), ohhh  
The fear of flying (can't do it on my own)  
Flying (can't do it on my own), Flying (Just can't do it on my own), ohhh  
Now that I am standing here at the edge  
If I tripped and I am falling without you my friend  
I don't think you'll ever know how much you meant to me  
Why did I love have to end?
