

Corbin Bleu, My everything

Some things happen when
When you don't expect
All of a sudden now you're falling in love
Baby that's the case
Between you and me
Never thought I'd be saying this but you're the one (yeah)
I trip, I fall
You're there through it all
And most times I really don't deserve it (no)
You give, never take
You bend, never break
I know it's soon but I want you to know
If I'm the sun
Then you're the moon
The day ain't done
If I don't see you
If I'm an eagle then you're my wings
You keep me up
You're my everything
Maybe it's too soon
To be telling you
But I really don't care I'll put it all on the line (yeah)
Cause I never felt, and I've never seen
Nobody like you that I can't get off my mind (yeah)
I trip, I fall
You're there through it all
And most times I really don't deserve it (no)
You give, never take
You bend, never break
I know it's soon but I want you to know
If I'm the sun
Then you're the moon
The day ain't done
If I don't see you
If I'm an eagle then you're my wings
You keep me up
You're my everything
You're my everything
You're my everything
All that I'll ever need
You're my everything
If I'm the sun
Then you're the moon
The day ain't done
If I don't see you
If I'm an eagle then you're my wings
You keep me up
You're my everything
If I'm the sun
Then you're the moon
The day ain't done
If I don't see you
If I'm an eagle then you're my wings
You keep me up
You're my everything
You're my everything
You're my everything
You're my everything..
